(when permitted) in the comfort of your own home!

Join Jeff and Andrea Priest

Saturday May 15th 1:00pm-4:00pm EDT on Zoom

Then join our weekly Wednesday evening group at 7:00pm

It doesn't matter what program you are currently dancing, all "Square Dancers" are welcome to join this session!

We will review all 30 calls in this session and show, for those who are dancing without 4 people, how to deal with phantoms! Choreography is tailored to 2 couple sequences that are fun to dance even by yourself.

Remember when you first started square dancing and realized how much fun it was and wished you had started years before!
